

# 2022 SPONSORSHIP OPPORTUNITIES

Sep 10 - Oct 9, 2022

The Jim Dolan Memorial Fishing Tournament is a national virtual kayak fishing tournament. It is an annual fundraiser for Heroes on the Water, a 501(c)3 organization, supporting veterans, first responders and their families. Sponsoring the tournament provides an excellent opportunity for your organization to get in front of kayak fishing enthusiasts, veterans, first responders, their family members, and people who support this community.

Our 2022 event will receive media coverage as well as social support from our many partners. The tournament begins September 10th and runs through October 9th, 2022. There are four regions and seven tournaments across the US. We project more than 100 anglers will participate, and additional supporters will purchase raffle tickets, t-shirts and donate online.
